About us...

Recently referred to as "the marketing industry's best kept secret" the Unlimited Group is an integrated agency collective with an innate belief and commitment to the power of the possible.

Through our expertise in Art & Science we unleash the power of data, insight and digital creativity to deliver maximum impact for our Clients and provide them with Unlimited Possibilities.

What makes an Unlimiter?

Unlimited is home to some of the best brains in our industry but we're always on the lookout for more. Of course, an intelligent brain will only get you so far – we also crave ego-free ones ready and willing to collaborate with others. We like our brains shaped like the letter 'T'

– specialisms or deep interests are welcomed but a willingness to think beyond your immediate discipline is encouraged too. We want to hear from different and diverse brains, as it's the collision of these that allow us to deliver unlimited possibilities for our clients.

All that said, the best brains are the ones that belong to a thoroughly decent human being. If that sounds like you, then we want to hear from you.

What you'll get...

You get to work onsite with our fabulous clients, whilst being part of our wider agency team. There's career development and training at every turn, a generous holiday allowance, your birthday day off and early festive closing. You even get the chance to take a volunteer day to support a cause you care about.

We do all the stuff you would expect:

- 25 days' holiday + Bank Holidays
- Matched Contributory Pension Scheme
- Life Assurance
- Healthcare Cash Back Scheme
- Interest free travel season ticket loan, Cycle scheme
